St Mary's Cottage

HADLEIGH

St. Mary's Cottage

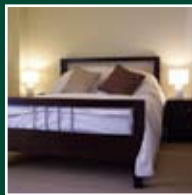

A luxury bijou cottage set in the heart of the historic Suffolk market town of Hadleigh. St. Mary's Cottage is a Grade II listed building that dates back to the mid 1800's.

Recently refurbished, the cottage has the feel of a historic building but with all the convenience of modern amenities. The décor and furnishings have been exquisitely fashioned in a contemporary and welcoming style.

The cottage is adjacent to Hadleigh's historic fifteenth-century church, St. Mary's, which was painted by Suffolk's two most famous artists, John Constable and Thomas Gainsborough.

The Accommodation

St. Mary's Cottage provides comfortable and stylish accommodation for two people. The ground floor is open plan with a modern, well-equipped kitchen and dining area. The first floor also has an airy, spacious feel with an en-suite complete with a serious shower.

All your home-from-home luxuries are provided: Egyptian bed linen and towels, TV, DVD, CD player and dishwasher.

In addition we provide those little extra touches that make St. Mary's Cottage a unique experience - including a complimentary welcome hamper.
